Social Justice (Samaji N'yaya) Series - (Iman fitness building): Priority of Parents over Other Duties:

"Thank Me as well as your parents; towards Me lies the Goal!." (Luqman: 14); "A man came and sought permission for Jihad (fighting in the way of Allah). The prophet (pbuh) asked him: "Are your parents living? The man said" yes, Sir.' He said, 'Then carry on Jihad in service to your parents as this is as good as Jihad.'"(Bukhari and Muslim)

Memon Language Series - "Panji Mithi Boli Memoni" Learning by example:

"Eating at a table with chairs was not common, nor was eating in plates with cutlery. A 'sadhri' (mat) would be laid down on the floor and a huge "thalo" (very big round tray) was placed in the middle on a "chakar" (a raised platform). The family would gather around the "thalo" and the food was placed in the centre. A young member of the family would go around pouring water to help wash the hands. The meal commenced with an elder of the family saying 'bismillah'. [source: The Memon Diaspora, Nasserpuria Memon Wanderlust and it's effect on Community, Culture and Traditions, at MemonPoint.com]
